Correspondence ending with letter No. H-3. 4860-67—45-46, dated 18th June 1946, from the Director of Public Instruction regarding the opening of a Municipal High School at Chennagiri, Shimoga District.

ORDER No. E. 2013-15—EDN. 44-45-38, DATED BANGALORE, THE 6TH SEPTEMBER 1946.

Both the Deputy Commissioner, Shimoga District, and the Director of Public Instruction are of opinion that there is need for a High School at Chennagiri.

A sum of Rs. 30,001 has been collected by way of donations. Out of this amount, a sum of Rs. 25,000 is proposed to be set apart for the building of the High School, the balance of Rs. 5,000 being kept as stability fund. The Municipal Council, Chennagiri, is agreeable to meet its quota of the recurring expenditure and also to find funds required for the equipment of the High School. The school is proposed to be located in the Municipal building till a building is constructed for it.

The Science Hall of the High School is proposed to be named as "Sriman Basalingappa Srimathi Mahadevamma Hall" as desired by Mr. Basalingappa of Hire Uda who has donated a sum of Rs. 5,001 for the school.

The Director of Public Instruction recommends sanction to the opening of a Municipal High School at Chennagiri from the school year 1946-47 on the conditions detailed below.* He also states that the proposal of the Municipal Council to name the Science Hall of the High School as "Sriman Basalingappa Srimathi Mahadevamma Hall" may be approved.

*(1) That the local Municipal Council should set apart for the building fund the entire collection of Rs. 30,000 so far made, and arrange to deposit a separate sum of Rs. 5,000 to constitute the stability fund of the school.

(2) That the Municipality should not request either the Government or the department at any time in future for the conversion of the school into a Government one.

The proposals of the Director of Public Instruction are sanctioned. The Government share of the cost during the year 1946-47 will be met from the sanctioned grants of the Education Department for that year and necessary provision will be made in the budgets of the succeeding years.

A statement showing details regarding the classes to be started, the fee income expected, the expenditure to be incurred and the grants to be paid by the Government, etc., is appended hereto.
